Dear Mr. Rakesh Bhandari,

Re: CRISIL Rating on the Rs. 25 Crore Long Term Principal Protected Market Linked Debentures of Nirmal Bang Securities Private Limited

We refer to your request for a rating for the captioned Debt instrument.

CRISIL Ratings has, after due consideration, assigned a CRISIL PPMLD A- r /Stable (pronounced as CRISIL PPMLD A minus r rating with Stable outlook) rating to the captioned Debt instrument. Instruments with this rating are considered to have adequate degree of safety regarding timely servicing of financial obligations. Such instruments carry low credit risk.

A prefix of 'PP-MLD' indicates that the instrument is a principal-protected market-linked debenture. The terms of such instruments indicate that while the issuer promises to pay back the face value/principal of the instrument, the coupon rates of these instruments will not be fixed, and could be linked to one or more external variables such as commodity prices, equity share prices, indices, or foreign exchange rates. A suffix of 'r' indicates investments carrying non-credit risk. The 'r' suffix indicates that payments to investors will not be fixed, and could be linked to one or more external variables such as commodity prices, equity indices, or foreign exchange rates. This could result in variability in payments, including possible material loss of principal, because of adverse movement in value of the external variables. The risk of such adverse movement in price/value is not addressed by the rating.

Further, in view of your decision to accept the CRISIL Ratings, we request you to apprise us of the instrument details (in the enclosed format) as soon as it has been placed. In the event of your company not making the issue within a period of 180 days from the above date, or in the event of any change in the size or structure of your proposed issue, a fresh letter of revalidation from CRISIL Ratings will be necessary.

As per our Rating Agreement, CRISIL Ratings would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. CRISIL Ratings reserves the right to withdraw, or revise the rating / outlook assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information, or other circumstances which CRISIL Ratings believes may have an impact on the rating. Please visit www.crisilratings.com and search with the name of the rated entity to access the latest rating/s.

As per SEBI circular (reference number: CIR/IMD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable CRISIL Ratings to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us at debtissue@crisil.com for any clarification you may need.

Should you require any clarification, please feel free to get in touch with us.

With warm regards,

Yours sincerely,
